Hi Miki,

I left a message for Don last night and spoke with him this morning. An emergency meeting occurred for 10 AM. I am at every BID meeting unless there are major issues that occur. I have briefed Don on the issues that were of concern to the BID. I apologize for the circumstances.

Dear Fred and Jessica,

I can't imagine what your schedules are like and how much you have on your plate, but we would be ever so grateful if we could have consistent Council representation at our BID Meetings. I'm attaching a schedule for the rest of the year so you can hopefully mark your calendars. It is the same schedule I have sent to the Chamber and the Hometown News. I think the more we all know what each of us is experiencing in our various quests, the more we can do to coordinate and help each other.

BID MEETINGS FOR THE REST OF 2015 are tentatively scheduled as follows:

May 21
June 18
July 16
August 20
September 17
October 15
November 19
December 2 (wed) (PARTY - Alcohol instead of work)
